

Dual Y Outlet Adapter (Outlets Duplicator)

The Duplicators provide the means to double the medical gas outlet infrastructure.

This gives a solution to these common issues:

- Exceeding the ward's patient capacity
- A need for the usage of several devices which require the same medical gas outlet.

DIN dual Y Oxygen outlets adapter

Diamond dual Y Oxygen outlets adapter

Rail mounted Diamond dual Y Oxygen outlets adapter

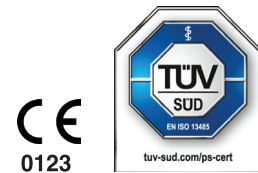

Features & Benefits

- Efficient- Doubles the medical gas outlet infrastructure with minimum cost
- Portable- Easily moved between stations to provide the medical necessities
- Flexibility- Two different outlets for multiple treatments
- Rail mounted duplicators include 1 meter flexible medical tubing and probe, and a universal rail clamp

Silbermann's Quality Management System:

- EN ISO 13485-2016
- ISO 9001-2015
- CE marked
